had sent up an estimate for Rs 2600/- for the purchase of 300 and odd new chairs & that the matter was ordered to lie over. But on a further reference from him in May 1936 he was authorized to purchase new Chairs out of the Savings of Rs 3001/- As 40 chairs are reported to have been already purchased, the number of such chairs to be purchased will be 264-40 or 224 and not 250 as proposed by the Asst Engineer & this cost will come to Rs 1680/- as against Rs 1875 it appears therefore enough to sanction the purchase of 224 chairs at a cost of Rs 1680/-.

4) There is no provision made in the R.A. Budget to meet such unusual expenditure like this. If the proposal is approved, the cost will have to be met by re-appropriation or from Gen. Cont. Grant. Subject to orders.

5) D.O. for favour of noting as to whether it is absolutely necessary to purchase the full number of chairs proposed by the Asst. Engineer for the R.A. members and whether the other articles of furniture (items nos 2 and 4 in the estimate) have been ordered by the Dewan to be purchased, as stated by the Assistant Engineer in his report accompanying the estimate.
